ABOUT US +

We're from Hong Kong, a densely populated city, and we're drawn to Jeju's peaceful, spacious, and cozy atmosphere — a refreshing escape from the urban rush.

We're passionate cat lovers and want to create a cat-themed hanok inspired by our beloved cat, Meimei.

We love traditional Korean design, and a hanok perfectly reflects the warmth, beauty, and harmony we hope to share in this space.

Safety and Rules

Please keep quiet after 10 PM to avoid disturbing neighbors.

Only registered guests and pets are allowed. Do not bring unregistered people or pets without permission.

Cooking and using flammable items (gas, candles, incense, etc.) are not allowed inside the rooms.

Do not draw or write on the walls or floors

Please take care of the hanok. Do not move or damage the furniture. If anything is damaged, inform the host immediately for compensation.

Cleanliness and Environment

Smoking or vaping is strictly prohibited indoors and outdoors. If found, you will be asked to leave without a refund and may be fined 100k KRW plus cleaning fees according to the law.

1

2

Please keep the kitchen clean after use. Sort dishes and garbage.

To maintain fresh air, do not eat foods with strong smells (such as grilled fish or pork belly) inside the rooms.

3

When leaving, please turn off the kitchen stove, air conditioning, floor heating, and lights

4

Occasionally, insects or wild animals may appear. Please keep doors and screens closed to prevent them from entering. We regularly disinfect with antibacterial spray.

5

Trash and Recycling

1

General Waste

Use the black and silver bins to the right of the kitchen for recyclables.

General trash includes regular waste, contaminated pizza boxes, non-degradable bones, fish bones, eggshells, nutshells, tea leaves, etc.

2

Food Waste

Use the silver bin under the kitchen sink.

Food waste for compost or animal feed includes rotten fruit peels and vegetables.

3

Recyclables

Use the 2 white recycling bin in the middle of the kitchen. Please rinse items before recycling.

Paper, drink bottles, shampoo bottles, glass bottles, cosmetic bottles, cans, clean plastic bags.

Air Conditioning and Heating Instructions

Please turn off air conditioning and floor heating when you go out. The hanok heating system takes about 10–15 minutes to warm up.

Heating button modes (from top to bottom):
Indoor mode
Sleep mode
Bath mode
Power On/Restart

The hanok has a unique heating system. Turn on the water tap for about 30 seconds before hot water is available.
